INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of MasterVoices Inc.

I have audited the accompanying financial statements of MasterVoices Inc., formerly The Collegiate Chorale, Inc., which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MasterVoices Inc., formerly The Collegiate Chorale, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Name Change

On August 3, 2015, The Collegiate Chorale, Inc. formally changed its name to MasterVoices Inc. On the eve of the Organization's 75th Anniversary, the new name, MasterVoices, better represents the Organization: the combined voices of singing artists, both professional and avocational, with those of composers, librettists, designers and directors, to provide masterful performances of music in many genres.

Nature of Activities

MasterVoices is a performing arts organization that produces and performs large-scale musical works that:

Feature world class soloists and orchestras and our 150 voice chorus of men and women from all walks of life, ages 15 to 85, who dedicate their time and energy to bring these works to life:

Involve collaborations with world-class orchestras, soloists, directors, choreographers and visual artists, so that even familiar works can be viewed and heard in new ways;

Have not been heard or seen in recent memory, be they neglected masterpieces, new works that deserve to be heard, or commissioned works;

Celebrate the power and beauty of human voices raised in song, brought together in a group effort to tell a story.

Nature of Activities (continued)

MasterVoices considers education and outreach to be important aspects of its work. Its Side-by-Side program offers gifted high school students the opportunity to rehearse and perform with guidance from singing members and professional artists in New York and abroad. Additionally, MasterVoices gives complimentary tickets to hundreds of high school students and seniors from New York each season, and invites young soloists to perform at top venues as a part of the Faith Geier Artist Initiative. In June 2016, MasterVoices launched "Bridges: Connecting Communities Through Music", a new outreach program that provides people in a New York community with the opportunity to come together to make music with MasterVoices, regardless of their abilities or backgrounds.

MasterVoices has performed in prominent New York concert halls, including Carnegie Hall, City Center, and Geffen Hall, under the batons of many esteemed conductors, among them Serge Koussevitzky, Arturo Toscanini, Leonard Bernstein, James Levine, Lauren Maazel, Zubin Mehta, Riccardo Muti, and Alan Gilbert. The company has also attracted many world-class soloists, including Bryn Terfel, René Pape, Stephanie Blythe, Deborah Voigt, Eric Owens, Thomas Hampson, Kelli O'Hara, Paulo Szot and Victoria Clark. Because of its reputation of excellence, MasterVoices has been hired to perform with many top orchestras over the years, including the NBC Symphony, The New York Philharmonic and The Israel Philharmonic, and has been invited to appear abroad in Israel and at the Verbier and Salzburg festivals.

Nonprofit Status

MasterVoices is exempt from Federal income taxes as an organization (not a private foundation) formed for charitable purposes under Section 501(c)(3) of the Internal Revenue Code. Donors may deduct contributions made to MasterVoices within the requirements of the Internal Revenue Code.

Significant Accounting Policies

The following are the more significant accounting policies used in the preparation of the accompanying financial statements.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Under this method, revenue is recognized when earned and expenses are recognized when incurred.

Financial Statement Presentation

Financial statement presentation follows the requirements of the Financial Accounting Standards Board. MasterVoices reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Revenue Recognition

MasterVoices' revenue consists of contributions, event revenue and ticket sales. Unrestricted contributions, event revenue and ticket sales intended for the current period are recognized when received. Restricted contributions are recorded as temporarily restricted support and net assets if they are received with donor stipulations that limit the use of the contributed assets. When a donor or sponsor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Property and Equipment

Acquisitions of property and equipment with useful lives greater than one year are recorded at cost. Property and equipment acquisitions are depreciated using the straight-line method over the estimated useful lives of the assets.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, MasterVoices considers all highly liquid investments available for current use with an initial maturity date of three months or less to be cash equivalents.

Contributed Materials, Services

MasterVoices records various types of contributed support, including materials and services. Contributions of tangible and intangible assets are recognized at fair value when received. MasterVoices recognizes certain services received if those services (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by contribution. The amounts reflected in the accompanying financial statements as contributed services are offset by like amounts included in expenses.
