# BLIND INJUSTICE

A NEW AMERICAN OPERA

This inspiring new 90-minute opera follows the Ohio Innocence Project's efforts to overturn the convictions of six men, women, and teens who were wrongly imprisoned for horrific crimes they didn't commit. Featuring an operatic score infused with jazz, gospel, funk, and hip-hop, and a libretto drawn substantially from the exonerees' own words, this timely and riveting production asks "What makes a person strong enough to endure injustice?"

Join us in honoring the creators of this groundbreaking new opera, which makes its New York premiere February 3-4, 2025, produced by MasterVoices, following a world premiere at Cincinnati Opera and a subsequent production at PEAK Performances at Montclair State University with the involvement of MasterVoices.
