13. Dirt

/ Feel the heat / on the street 1—2—3—Can ya feel it?

/Gonna, gonna be / Gonna, gonna be good / / Feel it comin'

/ Yes / Yeah /Good / Uh-huh

Hot /Hot /Hot

Give me what I'm hungry for The one thing that's never a bore

Nah! 2 3 4 Nah! 2 3 4 Ahh...

Dirt It's the reason I read

Dirt It's an animal need

I don't pick up the paper For the sports or the news
Those ain't the sport that I choose
Dirt 2 3 4 1// With my bacon and eggs
They go together like a skirt And a nice pair of legs
Got the ink on my fingers Got the smudge of the smear
Oh my, what dirt we got here
Dallas is a dooper Dallas is a red Susie's gonna leave him flat
Dallas used to grope her They were gonna wed Look out, look out, splat!
Oh Kinda makes you feel bad
But don't the public have a right to know Like our forefathers had?

It's in the constitution!

Call a commie a commie Give his reefer a light Dallas is dirt—in black and white!
// There he is // This is it //Go on over and see what the paper says
//You could sit //For a bit //Later on you can read it to Susie in bed
Man, you're already dead Don't you know?
Watchin' them rise is a ball But nothin's as sweet as the fall!

Dirt Gotta hunger to feed

Got a hunger and a thirst Gimme, gimme some dirt
Take me down in the dirt It's an animal need

Give it to me in the first amendment

Gimme somethin' that can get me through Something dirty in the whole "who's who"
And keep this in mind as you do It don't have to be true
Don't have to be true Don't have to be true
