# EDINBURGH FESTIVAL FRINGE

- The Edinburgh Festivals began in 1947 to help the world heal in the aftermath of World War II.
- The Edinburgh Festival Fringe is the 3rd largest ticketed event in the world, surpassed only by the FIFA World Cup and the Olympics, with 2.7 million tickets sold during Fringe 2025, 3800+ shows doing over 60,000 performances.
- 1947: 8 companies / 5 venues - 2025: tens of thousands of performers / over 280 venues.
- 60+ countries represented in Fringe '25.
- Fringe Mantra: TO GIVE ANYONE A STAGE AND EVERYONE A SEAT.

## EDINBURGH INTERNATIONAL FESTIVAL

- The Edinburgh International Festival (EIF) offers over 160 performances of some of the most highly curated presentations available, with over 2500 performers and an audience of 400 thousand.
- The EIF programs dance, opera, music, and theater, bringing artists and audiences of different cultures and viewpoints together to create space for reflection, debate, and celebration.
- After over 75 years, Edinburgh remains THE destination for international art and entertainment with performances from around the globe.

## THE ROYAL EDINBURGH MILITARY TATTOO

The Tattoo, an optional add-on, is an iconic Edinburgh institution. Music, dance, and precision are displayed with the Massed Pipes and Drums, the Massed Military Bands, international cultural troupes, singers, and the poignant refrain of the Lone Piper, all set against the stunning backdrop of Edinburgh Castle.

If you choose to add on the Tattoo, you'll witness it from the Royal Gallery, the best seats in the house. There you'll be joined by the Salute Taker, Royal Tattoo guests, and dignitaries. You'll enjoy a welcome cocktail hour, VIP covered seat, Tattoo gift, official program, and a post-show reception in the Royal Gallery lounge. Package also includes backstage tour and dinner.
