

May Concert Soprano Notes
March 30, 2025

- Concert is Tuesday, May 19, at Rehearsal Church, Call time TBA
- WE DO HAVE REHEARSAL NEXT WEEK, BUT AT 8:00!!! Don't come early.
- Bravi tutti for last week's concerts! We exceeded expectations.
- In the future if you have trouble selling tickets because you're not clear on the program, how it holds together, etc, let Julie know. She will pass the message along to Ted, who can help with that.
- This next concert is low stakes; it's for us to have fun and become better singers and musicians, by presenting pieces in a bunch of different styles:
 - O Magnum is about purity of sound.
 - Bach is Bach! Fun to sing the fugues.
 - 2 Mozart works may use string quartet
 - Geographical Fugue is a piece everyone should perform at least once!
(Spoken)
 - Over the Rainbow is acapella/pop
 - May be adding some more romantic and/or contemporary works.
- This event is primarily for the congregants of the church; more info to come about tickets for friends and family.
- We will be doing 7 Hisaishi concerts at Radio City in August. More info to come.
