MERCHANDISE FAQs

Is this a fundraiser for MasterVoices?
MasterVoices earns up to 10% on each sale.

Can I buy from MasterVoices with a check?
Orders can only be made via the CafePress website, and requires a credit/debit card.

Can MasterVoices place my order for me?
Unfortunately, no - all orders need to be made directly from the CafePress website.

Will there be samples to try on at rehearsal?
As this will now be an ongoing initiative, it isn't possible to have every size of every product at every rehearsal — so please use your best judgment on sizing when placing an order. (We'll have some folks wearing products from here on out, so you can certainly do an informal check on how things fit/look!)

Can I get a refund if I don't like something?
All merchandise is sold directly from CafePress. For any issues with your order, please contact CafePress directly via their Help Center.

How much does each item cost?
Pricing is determined by CafePress, and MasterVoices receives up to 10% of each sale.

Am I required to buy merchandise to wear at a concert or event?
Definitely not required! This is just an opportunity to both show off your pride in MV and to bring in a bit of revenue to the organization, if/as you wish!

Is different merchandise available?
Merchandise designs and items could change at any time at the discretion of MasterVoices and/or CafePress. If there is an item not currently available that you would like, please let us know and the Singers Council will investigate adding it.
